# GROUP METERING PANELS

Group meter panels (GMPs) are an economical and space-saving solution. These switchboards are also ideal for townhouses, shopping centres, office buildings and multi-residential buildings.

We supply as enclosure only or prewired fully assembled ready to use solutions. Making your next job quick and simple with service disconnection devices, meter panel isolators, service fuses and outgoing circuit breakers.
Fully wired in compliance with QLD or NSW metering installation rules. GMP can be wall-mounted or can be plinth mounted with a cable zone accessory.

Our boards ensure minimal time and cost for installation, and you can make the most of your switchboard straight away. For custom metering layout possibilities, Let's talk!

Prewired enclosure options available for QLD & NSW. Unwired enclosures available to meet your single phase or 3 phase installation requirements.

There is ample DIN space in the board to accomodate tenancy main switchs outgoing circuits.

Connection points for Neutral, Earth and Active links.

Swing handle on door of enclosure allowing it to be padlocked.

Doors and meter panel, easy lift off hinges, removalble for cable access and mounting.

Easy to access for cables with wall or plinth mounting. Complete with interchangeable cable tray and gear pan.

DESIGN			
Designed to accommodates multiple occupancy metering. Single **(SPH)/** Three Phase **(TPH)**	**SPH:** 9 **TPH:** 6	**SPH:** 12 **TPH:** 8	**SPH:** 18 **TPH:** 12
Enclosure manufactured from non-flammable Galvanised steel.	✓	✓	✓
Dimensions meet all requirements of QEMM.	✓	✓	✓
Panel can be fixed & sealed in compliance with relevant area of QEMM.	✓	✓	✓
Schedule Card	✓	✓	✓
CONSTRUCTION			
Enclosure	GMP enclosures are made from 1.2mm Z275 zinc anneal plated steel with additional powder coating of >100 micron to meet all Corrosion Requirements - Test Report 0901DESDSD439 (Severity Test B).	✓	✓	✓
Panel Clearances	Clearance behind panel is 1212mm. Clearance from panel to enclosure door of 175mm to accommodate all known domestic metering.	✓	✓	✓
Enclosure Ventilation	Door is vented.	✓	✓	✓
Sealing and Locking	Swing handle on door of enclosure can be padlocked.	✓	✓	✓
Non Removable Fixed Earth Stud	Multiple permanent earthing facilities are provided.	✓	✓	✓
Door	Hinged door - Chrome plated hinges.	✓	✓	✓
External finish	Ripple finish powder coat, >100micron - RAL 7035 (Light Grey)	✓	✓	✓
ENCLOSURE			
AS/NZS 3000 & relevant SIR Complies with AS/NZS 61439	Complies when installed as per manufactures instructions.	✓	✓	✓
